

psikeds Individual Contributor License Agreement ("Agreement")  
<http://www.psikeds.org/>

Thank you for your interest in psiKeds Development Project (the "psiKedsProject"). In order to clarify the intellectual property license granted with Contributions from any person or entity, the psiKedsProject must have a Contributor License Agreement ("CLA") on file that has been signed by each Contributor, indicating agreement to the license terms below.

This license is for your protection as a Contributor as well as the protection of the psiKedsProject and its users; it does not change your rights to use your own Contributions for any other purpose. It follows the well known and practically tested Apache icla (<http://www.apache.org/licenses/icla.txt>) - as far as possible.

If you have not already done so, please complete and sign, then scan and email a pdf file of this Agreement to [coreteam@psikeds.org](mailto:coreteam@psikeds.org). Please read this document carefully before signing and keep a copy for your records.

Full name: \_\_\_\_\_

(optional) Public name: \_\_\_\_\_

(optional) your github account : \_\_\_\_\_

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the psiKedsProject. In return, the psiKedsProject shall not use Your Contributions in a way that is contrary to the public benefit of open source development. Except for the license granted herein to the psiKedsProject and recipients of software distributed by the psiKedsProject, You reserve all right, title, and interest in and to Your Contributions.

#### 1. Definitions.

"You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with the psiKedsProject. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"Contribution" shall mean any original work of authorship, including any modifications or additions to an existing work, that is intentionally

submitted by You to the psiKedsProject for inclusion in, or documentation of, any of the products owned or managed by the psiKedsProject (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the psiKedsProject or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the psiKedsProject for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

- 2A Grant of Copyright License. Subject to the terms and conditions of this Agreement, You hereby grant to the psiKedsProject and to recipients of software distributed by the psiKedsProject a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.
- 2B Permission to Relicensing. The psiKedsProject is licensing all parts of the psikeds:server:server (psiKeds resolution engine) under the AGPL v.3, the psikeds:client:server (psiKeds query agent) itself under the GPL v.3, and the libraries which constitute the psikeds:client:server under the LGPL v.3. Additionally, some other documents, files and software components are licensed under some other open (source / document) licenses. You allow the psiKedsProject (the psiKeds core team) to relicense psikeds components containing Your Contribution for the purpose of solving license conflicts and incompatibilities. In return, the psiKedsProject (the psiKeds core team) promises to maintain the spirit of the initial licensing as far as possible.
3. Grant of Patent License. Subject to the terms and conditions of this Agreement, You hereby grant to the psiKedsProject and to recipients of software distributed by the psiKedsProject a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.
4. You represent that you are legally entitled to grant the above license. If your employer(s) has rights to intellectual property that you create that includes your Contributions, you represent that you have received permission to make Contributions on behalf of that employer, that your employer has waived such rights for your Contributions to the psiKedsProject, or that your employer has executed a separate Corporate CLA with the psiKedsProject.
5. You represent that each of Your Contributions is Your original creation (see section 7 for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of Your Contributions.
6. You are not expected to provide support for Your Contributions, except to the

extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

7. Should You wish to submit work that is not Your original creation, You may submit it to the psiKedsProject separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".
8. You agree to notify the psiKedsProject of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.
